NOTICEABLE RELIEF

SECOSOL® COMPLETE is an anatomically shaped comfort footbed for safety shoes that supports healthy foot alignment and provides tangible relief throughout the workday.

FOR HEALTHY FEET AND MORE ENERGY

Less pressure, less fatigue, more well-being – from clock-in to clock-out. With **SECOSOL® COMPLETE**, you rely on certified comfort for your workday.

Targeted perforation in the forefoot area promotes air circulation and keeps feet comfortable – even during long hours of wear.

SECOSOL® COMPLETE – BECAUSE YOUR FEET DESERVE MORE.

HARD FLOORS – HARD STRAIN

Standing and walking on hard surfaces for long periods quickly leads to fatigue, pain, and poor posture.

Just a few hours on non-cushioned soles can negatively affect your foot and leg alignment.

WORK SAFELY. STAY HEALTHY.

**SECOSOL® THE LARGEST MULTI-BRAND
INSOLE SYSTEM FOR SAFETY SHOES.**

Type-tested and certified for **more than
3.800 safety shoe models from over
60 manufacturers.**
