SOLCARE

CARES AND PROTECTS

SUITABLE FOR ALL MATERIALS

COLOR-REFRESHING

CARES. PROTECTS. RESTORE+

LASTING CARE AND PROTECTION

The **SOLCARE RESTORE+** universal care spray provides intensive care and reliable protection for almost all materials – from smooth and suede leather to vegan leathers, high-tech textiles, and synthetic combinations.
It refreshes colors, nourishes the surface, and protects against moisture and dirt. The PFC-free formula is both functional and environmentally conscious. It preserves the breathability of functional membranes such as GORE-TEX or Sympatex, making it ideal for work, casual, and sports shoes.

STRONG BENEFITS

Color refresh, care, and protection in one product

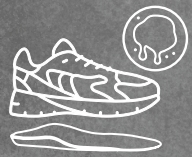
Suitable for all materials, including combinations

Maintains the breath-ability of functional fabrics

Ideal for shoes, bags, and textiles

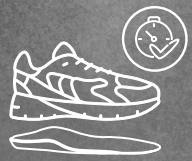
SPRAY. CARE. PROTECT.

STEP 1
Remove loose dust and dirt with a brush



STEP 2
Test material compatibility on an inconspicuous area

STEP 3
Apply a thin, even layer outdoors from a distance of about 12 inches (30 cm)



STEP 4
Do not soak and allow to dry thoroughly

TIP
For best results, combine **SOLCARE RESTORE+** with **SOLCARE RENEW+** for cleaning and **SOLCARE REVIVE+** for freshness and hygiene.
