SÖLCARE

NEUTRALIZES ODORS

PROVIDES HYGIENIC FRESHNESS

EASY TO USE

FRESH. HYGIENIC. REVIVE+

HYGIENICALLY CLEAN NOTICEABLY REFRESHING

The **SOLCARE REVIVE+** hygiene and fresh scent spray ensures a long-lasting pleasant shoe climate. Its powerful active ingredient effectively eliminates odors and leaves behind a fresh lemon scent. The mild, dermatologically tested formula is pH-skin neutral and suitable even for shoes worn barefoot. Thanks to the quick-dry formula, shoes are ready to wear again in no time, and the practical upside-down spray design allows even application deep inside the shoe.

STRONG BENEFITS

Effectively neutralizes unpleasant odors

Provides hygienic freshness instantly

Quick-drying – shoes ready to wear again quickly

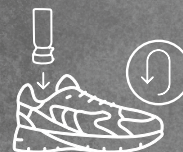

Easy to use with 360° spray can

SPRAY. REFRESH. FEEL GOOD.

STEP 1

Turn the cap counter-clockwise to open

STEP 2

Place the can upside down inside the shoe (nozzle facing forward)

STEP 3

Press briefly downward and spray evenly – do not soak

STEP 4

Wait about 5 minutes – the shoe is ready to wear again

TIP

For complete care, combine **SOLCARE REVIVE+** with **SOLCARE RENEW+** for cleaning and **SOLCARE RESTORE+** for care and protection.
